

Town of Florence
Sealcoat Roads
2009 Spring
Weight Restricted Roads

Effective **March 18, 2009**

10 Ton Weight Restrictions Have Been Placed on Town Roads
of Florence and Commonwealth

The Town of Florence enforces a ten ton weight limit on its sealcoat roads during the spring thaw to decrease pavement damage. During this period if you live on one of the below roads you are required to bring your garbage & recycling to the designated road. We ask for your cooperation and patience during this period. Please drop off garbage in the morning of garbage pickup to ensure animals do not get into it over night. Weight restrictions are posted in the local Mining News and are in effect when you here Florence County Restrictions are in effect. Weight restrictions can come on as early as the 2nd week of March and last until the first week of May. If you have any questions please call the Town of Florence office at 715-528-3595.

PLEASE NOTE: If you reside on a town road or a private road that is off a restricted road listed, bring your recycling to the designated road.
